

# A UNIQUE EXPERIENCE!!

We want to share our culinary delights with you, but this is just not a service we are providing you with. We want nothing more than to give you an experience completely unique that's tailored to your every need and desire. From a quaint backyard barbecue to a full service wedding of sheer elegance, we extend to you perfected homemade family recipes that are sure to please any palette. Let's set something up for you to come in and taste what we have to offer. Tell us what you want and we will take care of the rest. Sit back, kick your shoes off, and relax...

From our family to yours, we give you our promise.

Thank you for giving us this opportunity!!

## CATERING MENU

With a very warm welcome, we are honored that you have considered us to share in your special event!!

# FEEDING THE WHOLE CREW!

We can accommodate our catering services and menu to fit your needs. Chef Michael doesn't just do great barbecue, he can prepare any menu to please your palette. We also offer set-up services and wait staff for a buffet style or family style dinner. Ask us about bringing our barbecue pit with Chef to cook at your on-site event. We've put a few examples in here to give you an idea of what our customer's favorites are, for delivery or pick up options. Give us a call and we can discuss which type would serve your guests best.

"Coming Soon!!! Keep an eye out for our Chuck Wagon! Inquire on information to have an authentic barbecue brought to you!"
